

Information for Refugees

We offer refugees who had already started or were about to start higher education studies in their countries of origin the opportunity to continue or to begin their studies here at our university. Don't hesitate to contact Ms Meyer for a consultation via e-mail, online meeting, telephone or in person.

We check your university entrance qualification and offer orientation and counseling regarding:

- admission requirements
- preparatory offers: German intensive course *DeutschPlus* / Studienvorbereitung Brandenburg
- application process
- financing
- accomodation
- studying without the required secondary school leaving certificate
- other questions about living and studying in Brandenburg an der Havel

Tandem Language Exchange

Tandem is a mutual language exchange between two people. You can practice your language skills face-o-face with a German student and teach him or her your language. See all the information [here](#).
